

# HALO 3

## ***Contents of box:***

***1 Black base***

***2 Steel rods (1 long, 1 shorter)***

***1 Flood (creature)***

***2 Gun blasts (1 long, 1 shorter)***

***1 Master Chief***

Step by step instructions :

- Screw the steel rods tightly into the holes in the Black base. The long Steel rod should go into the hole for Master Chief's left hand.
- Lightly grease the steel rods with vaseline, dishwashing liquid or a similar lubricant.
- Gently slide the Flood onto the 2 Steel rods, through the 2 holes in the Flood. Gently slide the Flood right down to the bottom of the Steel rods.
- Gently slide the Gun blasts onto the Steel rods. The long Gun blast should go onto the long Steel rod. Slide the Gun blasts down as far as they can go.
- Lightly grease the protruding ends of the Steel rods.
- Gently slide Master Chief onto the ends of the protruding Steel rods.

(please use the pictures on the side of the box as an example of the finished piece)
